RE: **Foreclosure of the Worlds Banks and Corporations December 25th 2012 and Unlimited personal liability arising from foreclosure of all banks, all corporate governments, and all other corporations by UCC Filings of the One People's Public Trust.**

Dear Sirs and Madams, greetings to you all.

It has come to my attention that ALL of the Worlds Banks and Corporate Governments have chosen to Foreclose upon themselves due to the unrebutted UCC Filings of The One Peoples (OPPT), which remains unrebutted and stands as absolute truth in law, commerce and BEing, registered in public record, universal law ordinance, for all the world to rely upon.

Your attention is also drawn to the positive benefits that the OPPT filings offer every person. Foreclosed banks cancels debt. Cancelled "government" charters eliminates unlawful taxes, statutory law, all courts etc.

In the absence of government statutes, banks and other corporate contracts, the only instrument that will compel performance between private individuals is a lawfully binding one.

Many significant changes have come about including that we now live in a world of unlimited responsibility and liability, that may bother you, but when you have a huge asset to call upon in need, the fact is mitigated.

At the same time the Trustees invoked a replacement system of governance called Creators Value Asset Centers or CVAC's. The CVAC system is the antithesis of the corrupt, externally controlled looting devices that were termed Governments. They are in fact, in commerce, in law, preserved by public policy. REGISTERED as wholly owned, with full title, value and rights, co-jointly and equally by each one of the people on this planet, expressly warranted to be entirely transparent entities that exist only to serve the people of this planet by providing any systems of assistance the people of

this planet deem necessary or desirable, and the  
aspect of the free will of any human.

The Trustees have returned and allocated a significant amount value to each human, a value that could pay the debt of the average person many many times over. This value I have registered and recorded on the Personal Property Securities Register. A perfected financing statement exists for negotiable instruments that are the physical representation of my value, which I choose to use to access my Creators Value Asset Center to provide me with any assistance I deem necessary or desired, until the old systems of slavery have been completely replaced with the CVAC systems of assistance, with full responsibility and full liability. **Notice of Financing Statement Verification attached for your information**

The CVAC system is presented as a planet wide, completely interconnected network structure run only by bonded public servants who act with full responsibility and in full liability at all times. Every human on the planet is served by CVAC and it's BRANCHES. Each former nation on the planet has one CVAC BRANCH reserved for it. This incredible paradigm shift is just beginning to unfold. right now.

This document also notices a lawful and legal challenge to approaches by individuals acting in ignorance of the new system or knowingly, willingly, and intentionally attempting to usurp, violate, invade, abrogate, subjugate, or insubordinate any BEing on this planet.

It is also an invitation to participate transparently, with integrity, in the greatest period of change ever seen on this planet.

### **Your Responsibilities now that you have become aware of the fact of the matter**

It is your onus and responsibility to provide proof of claim in the form of a Sufficient Verified Response of a lawfully binding contract, presumed or claimed to exist. Additionally any claimed contract must possess all of the elements of a lawfully binding contract including but not limited to offer, acceptance, true reliant statements of fact, intent and consideration, and that these elements have been knowingly, willingly, and intentionally disclosed to me.

It is now your responsibility to inform and advise any colleagues and all Executive teams and any and all lower level employees acting for or on behalf of any foreclosed entity acting against my best interests.

Bill English the man acting as Finance Minister I have the pleasure in requesting that you notify Graeme Wheeler to bring this to his attention I do not have contact details for Graeme to include him in this notice. Thank you.

Owing to the seriousness of the matter, only a response that meets the following criteria qualifies as a Sufficient Verified Response. Response must:

1. be duly registered verified and sworn documentation of standing authority, value, and rebuttal of every point for point with specificity and particularity;
2. exhibit written delegation of authority signed by a Respondent if response is by another.
3. use words defined within common dictionaries (e.g. Webster's or Oxford)
4. all responses must be received no later than 20 days of service of this notice.

In the months to come our world is going to change beyond recognition. Our true history will be revealed along with the truth of the system we have all been living under. Much technology that has been withheld from us will be released including power production, health and transport. War, disease and pollution will be the thing of the past.

May you use compassion to humble yourself and give and receive only that of the highest energy we call love as we enter into this new and exciting transition for human beings on the planet. As I forgive you ALL, I too ask you forgive me.

Blessings be upon you ALL

Yours Faithfully
